PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on March 7, 22, 29, and April 1, 2022.

On March 12, 2018, supervised release conditions were reviewed and signed by Ms. Gomez acknowledging an understanding of her conditions.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

10

Special Condition #19: The defendant must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Ms. Gomez is alleged to have violated her conditions of supervised release by consuming methamphetamine and amphetamine on or before April 13, 2022.

On April 14, 2022, this officer spoke to staff at Merit Resource Services (Merit) who reported Ms. Gomez reported to Merit on April 13, 2022, and provided a urinalysis (UA) sample that tested presumptive positive for methamphetamine. The sample was sent to Alere Toxicology Services, Incorporated (Alere) for confirmation. While at Merit, Ms. Gomez signed an admission/denial form admitting she consumed methamphetamine.

On April 15, 2022, while this officer was conducting a home visit to Ms. Gomez's residence, Ms. Gomez admitted to consuming "a lot of meth" the night before her court hearing on April 7, 2022, which is the reason she believed her UA would still be positive.

On April 20, 2022, this officer received the results from Alere, showing the UA sample collected on April 13, 2022, was confirmed positive for the presence of methamphetamine and amphetamine.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
